## Rigid Post-Op Shoe

### Instructions For Use

Please read these instructions completely and carefully before applying this product. Correct application is important for proper function of this brace.

# Rigid Post-Op Shoe Instructions for Use

## Indications:

To provide support and protection to the foot and cast during ambulation.

1. Unfasten or loosen closures. Slip foot into the shoe.
2. Secure closures to a snug, but comfortable fit.

## Use and Care:

Clean with damp cloth. Dry thoroughly before next use. Cast shoe may be hand laundered with mild detergent in warm water and air dried. The sole may be wiped clean with damp cloth.

## Warning:

This product is to be used under the supervision of a medical professional. This device is not intended for unsupervised public use. If you experience any pain, swelling sensation changes, or any unusual reactions while using this product consult your medical professional immediately.

## Warranty:

Top Shelf Orthopedics guarantees this product to be free of defects in material and construction for a period of 6 months from the date of purchase.
